9. The trainee shall ensure that the log is available at all times for the Board's inspection.
10. Upon renewal, trainees will be required to submit the log for the Board's review. Trainees should be sure that they put a check in the appropriate boxes to indicate their level of participation in the appraisals listed in the log.

CERTIFICATION OF SUPERVISING APPRAISER

Trainee Name: _____

The individual above has applied for a Trainee Appraiser Permit and designated you as a SUPERVISING APPRAISER pursuant to N.J.A.C. 13:40A-4.6. Board regulations require that you acknowledge this responsibility in writing; the full text of those regulations is listed below.

§ 13:40A-4.6 Responsibilities of supervising appraiser

(a) Any individual designated as a "supervising appraiser" by the holder of a trainee permit shall acknowledge in writing to the Board that he or she agrees to perform all responsibilities set forth in (f) below.

(b) Supervising appraisers shall be in good standing with the Board and shall not have been subject to any disciplinary action, including revocation, suspension, or stayed suspension, by the Board, within the last three years from the beginning of the supervision.

© No appraiser shall serve as a supervising appraiser until he or she has been a licensee of the Board for at least two years.

(d) Beginning on January 1, 2008, licensed real estate appraisers shall no longer be approved to serve as supervising appraisers. Beginning on February 5, 2007, the Board will no longer accept applications by trainees who seek approval of a licensed real estate appraiser as a supervising appraiser.

(e) Beginning on January 1, 2008, only those individuals who are certified by the Board as either a State certified general real estate appraiser or a State certified residential real estate appraiser shall be a supervising appraiser.

(f) A supervising appraiser shall have the following duties and responsibilities:

1. The supervising appraiser shall at all times be responsible for and provide direct supervision of the work performed by the trainee. For purposes of this section, "direct supervision" means:

i. To personally review the work product of the trainee;

ii. To approve, sign, and accept responsibility for each appraisal report including work product prepared by the trainee or in which the trainee has made a professional contribution and to sign all such reports and certify that all such reports have been independently and impartially prepared in compliance with the Uniform Standards of Professional Appraisal Practice, these rules and applicable statutory standards; and

iii. To indicate, within the certification section of the appraisal report, the name of the trainee providing significant real property appraisal assistance. For purposes of this subparagraph, "significant" means the exercise of appraisal knowledge and training and does not mean clerical or fact gathering tasks.

2. The supervising appraiser shall, at least once a month, sign the log required to be kept by the trainee pursuant to N.J.A.C. 13:40A-4.7 and shall set forth thereon his or her license or certification number.

3. The supervising appraiser shall provide the trainee with a copy of any final appraisal report in which the trainee's work product has been utilized or in which the trainee made a professional contribution.

4. The supervising appraiser shall immediately notify the Board and his or her trainee(s), in writing, in the event that he or she ceases to perform or is unable to perform the responsibilities set forth in this section.

5. A supervising appraiser shall not supervise more than three trainees at one time;

6. The supervising appraiser shall personally inspect, with the trainee, the interior and exterior of each appraised property until the supervising appraiser determines that the trainee is competent in accordance with the Competency Rule of the Uniform Standards of Professional Appraisal Practice. Upon making the determination of competency, the supervising appraiser shall request a competency certification form from the Board. The supervising appraiser shall submit, to the Board, within 30 days of receipt of the competency certification form, the certification that the trainee is competent to perform property inspections independently. Examples of competency include, but are not limited to, properly identifying the problem to be addressed, being familiar with a specific type of property, market, geographic area, or analytical method.

7. The supervising appraiser shall prepare and furnish a signed statement describing the nature and extent of the assistance rendered to each trainee who provided services on an appraisal assignment. This statement shall be placed in the work file of the appraisal assignment.

8. Upon the termination of the supervising appraiser and the trainee relationship, the supervising appraiser shall request an evaluation certification form from the Board. The supervising appraiser shall submit, to the Board, within 30 days of receipt of the evaluation certification form, the certification evaluating the activities performed by his or her trainee.

9. Failure to comply with this section may be deemed professional misconduct.

You are also reminded of your responsibilities under Uniform Standards of Professional Appraisal Practice standards rule 2-5, "An appraiser who signs a real property appraisal report prepared by another, even under the label of 'review appraiser', must accept full responsibility for the contents of the report."

Pursuant to all applicable laws and regulations of the New Jersey Board of Real Estate Appraisers, I hereby accept designation as a Supervising Appraiser for the above-captioned trainee in his/her capacity as holder of a Trainee Permit issued by the Board of Real Estate Appraisers. I have read and understand my responsibilities under these rules and the Uniform Standards of Professional Appraisal Practice.

** If you receive such ongoing treatment or participate in such a monitoring program, the Board or Committee will make an individualized assessment of the nature, the severity and the duration of the risks associated with an ongoing medical condition so as to determine whether an unrestricted license or certificate should be issued, whether conditions should be imposed or whether you are not eligible for licensure or certification.
